## Sabine Varsity Volleyball Team Earns Spot in Playoffs

The Lady Cardinal Volleyball Team had a great season this year we were 24-17 overall. The girls worked hard all season long and we finished district 8-4 and made the playoffs, which is a significant accomplishment. We had six seniors this year: Brookelyn Gray, Miranda Cook, Hannah Merritt, Hagen Dorman, Kristen Stuart and Andrea Busby. We also had two juniors: Sarah Davis and Kaylen Works, three sophomores: Sam Bell, Jada Carter, and Mikinzi Cantrell and one freshman Sierrah Richter. They have improved and played well throughout the entire season. We started off strong and hit a few bumps along the way. But the bumps are what made them better as individuals and a team. It was how we grew and learned from the adversity that matters. We had several accomplishments as a team and individually, the girls finished 3rd place in the Gary Tournament, Brookelyn Gray District 15-3A Defensive MVP, Sam Bell, Kristen Stuart, Miranda Cook 1st Team All-District, Sarah Davis and Hagen Dorman 2nd Team All-District, and Jada Carter Honorable Mention. Sierrah Richter was named ET Varsity. com Player of the Week and District 15-3A Newcomer of the Year. , "I am proud of this team!", said Kristen Reaves, Head Volleyball Coach.
