Sabine Elementary Place 3rd in UIL Competition

This year over eighty elementary students attended the UIL meet held on December 14, 2017 at Arp Elementary. Sabine finished in 3rd place overall. UIL offers many types of contest for grades 2-5. All contests are created with curricular objectives in mind. Each participant, coach, administrator, and parent should be applauded for their time and effort.

Congratulations to ALL the students who worked hard and represented Sabine Elementary.
